### Swiss Life Asset Managers France now has EUR 11 billion of SRI-labelled assets under management

29 November 2021

Following the announcement in October of the certification of the SwissLife Dynapierre and Immobilier Impact Investing funds, Swiss Life Asset Managers France now has a total of 14 SRI-labelled funds representing EUR 11 billion of assets under management.

Swiss Life Asset Managers France is continuing to expand its SRI real estate offering, having recently certified the SwissLife Dynapierre OPCI, the Immobilier Impact Investing fund and a dedicated institutional fund.

As at 1 October 2021, the company had six SRI-labelled real estate funds with assets of almost EUR 3.2 billion and representing more than 200 properties of different types (buildings, offices, managed residences etc.). All asset classes – real estate and securities – The range of SRI-labelled investment solutions comprises 14 funds with EUR 11 billion in assets under management.

*"Swiss Life Asset Managers France is strengthening its position as a committed player in promoting sustainable and responsible real estate, after working on the creation of the SRI Real Estate label a year ago"* confirms Frédéric Bôl, Chief Executive Officer.

A real driving force in this field, Swiss Life Asset Managers France has also joined several local bodies with the aim of constructing a project to overhaul the SRI Label Board, under the aegis of Michèle Pappalardo, President of the SRI Label Board. The asset manager is playing its part in creating a more transparent and demanding label that guarantees the confidence of investors and savers.
